

Looking to buy a used vehicle?

Whether the vehicle is being sold by an individual or a car lot here are
10 Questions you should always ask when calling or emailing the seller.

1. May I take the car/truck/van to my shop to have it inspected?

2. How many owners has the vehicle had?

3. Do you have the service records?

4. What repairs have been done since you have owned it?

5. Has the engine or transmission ever been replaced?

6. Are there any fluid leaks?

7. Are there any warning lights on?

8. Is there any rust?

9. Is there any interior damage?

10. Is there anything needing repair?
